#### **BURIAL RITUAL**

President (at the casket of the departed Brother)

Friends and Brothers: we are assembled here to show the last earthly courtesy to Brother \_\_\_\_\_ who is with us in spirit only. God, Heaven. We poor mortals cannot see beyond the veil; we can only grope about for the truth and hope we may find it.

Brother Secretary, I now direct you to carefully enroll the name of Brother \_\_\_\_\_ upon the list of Brothers gone before us, that we may be ever looking forward to his welcome when our time comes to pass away.

(Secretary)

Brother \_\_\_\_\_ name is written upon our memorable tablet, and enscrolled within our hearts, and his memory will be dear to us forever.

(President)

Brothers, let us now pass respectfully before the remains of our deceased members and in tribute to his spirit among us, place upon his casket a white carnation, symbolic of a good life.
